★ 20 YEARS ★

**Newark Showground,
Newark, Notts, NG24 2NY**

Welcome to our 20th anniversary Show!

November has arrived, and for the Newark and Notts Agricultural Society it comes with the much-anticipated Newark Vintage Tractor & Heritage Show at Newark Showground. This year, we are celebrating the 20th anniversary of the Show, making it an even more special occasion for vintage enthusiasts and heritage lovers alike.

The Show promises to be a fantastic two days, showcasing a wide array of vintage tractors, agricultural machinery, commercial vehicles and much more from many decades. In addition to the impressive display of tractors, there will be a host of activities and attractions for everyone to enjoy.

The Show continues to celebrate the vintage workhorses that have shaped

the agricultural machinery of today and we welcome multi-generation families and friends to enjoy the collections on display.

I would like to take this opportunity to express my thanks to the dedicated Show Team, all our volunteers and particularly the hardworking members of the Newark Vintage Tractor & Heritage Show Committee. Their efforts and unwavering commitment have made this event possible.

Furthermore, I would like to extend my thanks and recognise Ian Burgin and Michael Hart, who have been integral members of the Committee since our very first Show back in 2003. Their longstanding dedication and invaluable contributions have played a vital role in shaping the Show into what it is today.

**Simon Eccleston, CEO,
Newark and Nottinghamshire
Agricultural Society**

This event is organised by Newark and Nottinghamshire Agricultural Society (NNAS) – a registered charity dedicated to promote, celebrate and champion agriculture across the Midlands region.

It gives me great pleasure to welcome you to the 20th anniversary of the Newark Vintage Tractor & Heritage Show, a small milestone of hard work and commitment by many people.

I am pleased to say that at this year's 20th Show we will have some tractors on display that were present at our first Show, please see the exhibitor listing in the show guide.

We again have over 1000 entries of various tractors, commercial vehicles, stationary engines and lots more vintage and heritage equipment on display. As well as celebrating our anniversary, we are commemorating some key anniversaries in the Vintage Tractor and Machinery calendar.

We are also pleased to have some steam engine's here today in steam for everyone to enjoy.

There is a new feature of a restoration workshop showing people the hard work and dedication that goes into restoring vintage machinery. I am sure this will be a very worthwhile and interesting demonstration to watch along with the many other attractions we have for you and your family to enjoy. The Sunday morning Remembrance Service will be taking place as normal so please come along and be part of this lovely service of remembrance.

Again, I must thank the Show Team and the Tractor & Heritage Show Committee for all their hard work in making this a successful 20th anniversary Show.

I hope you all have an enjoyable time here at the Newark Showground, whether you are here for one day or the whole weekend.

**Roger Jackson, Chairman,
Newark Vintage Tractor & Heritage Show**

Welcome to the 20th Show! How far we have come since the first one, while the overall format of the Show has been the same, year on year it has developed with improvements.

My heartfelt thanks must go out to our Members and friends of Nottinghamshire NVTEC as Chairman and as your Chief Steward, I am truly humbled at the time and dedication that each one of the volunteers gives to this show to make it what it is.

To think 20 years ago you could pick up a Massey Ferguson 135 for £1500, and a litre of diesel was 75p now look at where prices have reached. I look forward to seeing many friends, exhibitors and visitors over the two days of the Show. The Nottinghamshire Club is a very active one and if you want to come and see us for a chat, we are located in the George Stephenson Exhibition Hall.

My thanks must also go out to all the Showground staff who work tirelessly in the office throughout the rest of the year to make all of this possible. I hope you enjoy your weekend with us and please remember this is our hobby, we do it all for fun!
